

COBRAS CARE CHALLENGE

OPERATION TSUNAMI RELIEF

We have all been moved by the recent disaster in South Asia. The human suffering has been tremendous, but the outpouring of support from the global community has been moving. We, as Cobras, need to do our part.

For this reason, we are issuing to our students and staff this challenge. We are asking each team to make a \$50 or \$100 contribution to the American Red Cross. Donations will be accepted from January 11th through January 21st. Norwayne has never turned from a challenge. We have worked to fill many needs in our local community. These efforts have included providing Christmas for needy families, helping families who have experienced fires and deaths of loved ones, and the Wayne County Relay for Life Cancer Walk.

Any amount we can give will be a step forward for so many who are displaced. We call on your generosity once again to help those who cannot help themselves. The need is great, and every dollar we raise will benefit the victims in their darkest hour of need.
