Parents:

On December 15, 2004, we have planned a trip to Raleigh. The cost for the students is \$25.00.

The agenda for our day is to leave school about 8:30. Due to the limitations with bus drivers we are using a 55 seat charter bus. We will arrive in at the Exploris Museum around 9:45 and tour the exhibits. Many of the displays are interactive so the kids will get to learn some science hands on. One of the items we are scheduled to see is Rice Making which ties in with our Asian studies in social studies.

We will leave Exploris about 10:30 and travel to Crabtree Valley Mall to have lunch at the Kanki Japanese Steakhouse. The kids will watch their meal be prepared at their table in a traditional style. The price of lunch is not included in the price but you can figure about \$12 to 15 for lunch. We will have a small amount of time in the Mall and if you want to send spending money that is acceptable but totally up to you. We will leave Crabtree at 1:00 and return to Exploris.

At 2:10 we will get to experience the children's book turned Tom Hank's movie ***The Polar Express*** on a 70 foot IMAX screen with 10,000 watts of sound in 3-D!

We plan to arrive back at Norwayne at about 5:30. After a long day out everyone will be excited to get home. Please make sure transportation is arranged ahead of time and is prompt in picking up your child.

We do have some room for chaperons on this trip and would hope that some parents can attend. The cost for the chaperons is based on a reduced rate at Exploris and is \$20.00. These seats are limited so let us know early if you are able to attend.

If there are any questions, please feel free to email or call. Thanks!
